

GNIET/4D/Circular/22-23/

Date: - 8/12/2022

NOTICE

All HOD's are hereby informed that, we are going to arrange one day workshop on "Technology and Start up" on 14th Dec 2022. It is mandatory to attend for student of II, III, IV year B.Tech of all Branches and Ist & III sem of MBA.

Dr. Ajay Deshmukh & Mr. Satish Ranade from Pune is going to conduct said workshop.

You are instructed to take necessary action and confirm that students of your branch will be there for workshop.

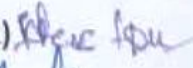

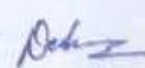

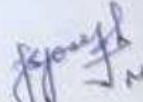

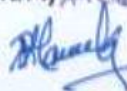

Date: - 14/ 12/ 2022

Time: - 11.30 am

Venue:-T2- Auditorium

Dr. Hemant Hajare
Principal, GNIET

Copy to,

- 1) The Principal Office — 
- 2) Vice Principal — 
- 3) All HOD's (ASH, EE, CSE, ETC, MBA)    MBA
- 4) Administrative Officer for n.a.  8/12/22
- 5) Dean Students GNIET.
- 6) T & P office   8/12/22 (ASH, GNIET)

ONE DAY PROGRAM ON TECHNOLOGY & START-UP

To,
Dr. Uttarwar Sir

Nagpur, Maharashtra

Date: 24/11/2022

Sub: Proposal for **ONE DAY PROGRAM ON TECHNOLOGY & START-UP**

Dear Dr. Uttarwar Sir

Further to your discussions with Dr. Ajay Deshmukh Sir, on conducting one day program for Faculty / students at your college, I am happy to present our proposal as outlined below

Program Objectives:

- ✓ Make attendees aware of business scenarios
- ✓ Help attendees understand concept of a start-up
- ✓ Increase knowledge of Industry 4.0 and current industry problems
- ✓ Bring focus on research and development

Course Details:

- ✓ Duration: 1 day
- ✓ Time: 10 AM to 5 PM
- ✓ Mode: In person
- ✓ Eligibility: Faculty / Student from any discipline
- ✓ Number of Participants: No limit

Professional Fees:

Professional fees for the program are Rs. 15,000/- (Rupees fifteen thousand only)

Resource Persons:

Mr. Satish Ranade : (Refer Annexure – B for Brief Profile)
Dr. Ajay Deshmukh : (Refer Annexure – C for Brief Profile)

Payment Terms:

50% Advance along with your confirmation letter to conduct the workshop
50% On completion of the workshop
All taxes & duties extra as per the rules prevailing at the time of payment
Cheque to be drawn in favor of Mr. Satish Ranade

Travel & Stay Arrangement:

One way car travel expenses to be reimbursed by the institute.

 - IPR & Start-ups
- Syllabus design for Symbiosis Skills & Professional University for new age technology courses

ONE DAY PROGRAM ON TECHNOLOGY & START-UP

Annexure-C: Profile of Dr. Ajay Deshmukh

Dr. Ajay V. Deshmukh did his Ph.D. from IIT Bombay in 2006, did his M.E. in Instrumentation from SGGSC&T Nanded in 1994 and B. E. Instrumentation Engineering from SGGSC&T Nanded in 1989. He has 28 years of experience in academics as the Professor of Instrumentation & Control in Cummins College of Engineering for Women, VIT Pune, and as the Principal of Engineering colleges: Bajaj Institute of Technology Wardha, DACOE Karad, SEC Someshwar, SSASIT Surat, Gujarat, India. Currently he is the independent director of affordable robotics automation ltd (ARAPL) Pune and treasurer of IAIAM Pune.

Currently he is the Director, Centre for Industrial Mathematics, Bhaskaracharya Pratishthana, Pune and Consultant to Philips India Ltd.

www.bprim.org

Over a period of more than two decades Dr. Ajay has offered customized training courses to Multinational industries and Public Sector units on diversified specialized topics. The industry verticals where these courses were offered are Automotive, Automation, Chemicals, Sugar, Petroleum, Petrochemicals, Power Sector, Process and Manufacturing industry and Healthcare industry. These courses were designed based on highly specific requirements of the industry. The objectives were to overcome the industry specific problems providing practical solutions after investigations. Some of these courses were offered through IIT Bombay CEP Cell. Many open courses were also offered to industry participants in order to build the basic knowledge around a specific domain and also to create awareness in those specific topics in Automation, Control, Instrumentation and Measurements, Control of process control equipments, Embedded systems, Industry 4.0, Data analytics, Standards and Practices, Safety in industry and hazards and disaster management. Industries benefited include Honeywell Automation India Ltd Pune, ABB Bangalore, IPCL Nagothane, NPCIL, BORL, EATON, Suzlon Pune, L&T, Forbes Marshall Pune, John Deere Pune.

Dr. Ajay has conducted several training courses for faculty and student development. He also organized national and international conferences, seminars, and presented key notes and invited talks. There are many outreach programs and public lectures to his credit. As a part of research Dr. Ajay has contributed in magnetic resonance imaging, specifically signal and image processing in functional MRI and Cardiac MRI and made several collaborative efforts in this field. He is the author of the book Functional MRI: Novel Transform Methods, Narosa 2008, as a Research monograph dedicated to the society for Cancer research and Communications, Mumbai India. To his credit there is another popular book on Microcontrollers: Theory and Applications, Tata-McGraw Hill, 2005. Recently he has published book chapters in international books namely, "Nuclear Radiation Detectors", in Instrument and Automation Engineer's Handbook, 5 e/d, BÉLA G. LIPTÁK, Editor-in-Chief KRISZTA VENCZEL, Volume Editor, CRC Press, Taylor and Francis Group, PP 1765-1778, 2016 and "Raman Analysers", in Instrument and Automation Engineer's Handbook, 5 e/d, BÉLA G. LIPTÁK, Editor-in-Chief KRISZTA VENCZEL, Volume Editor, CRC Press, Taylor and Francis Group, PP 825-848, 2016, "AI in Instrumentation Industry", in a Book with *Bentham Science*, edited by Dr. Terje Kristensen, Bergin University Norway, 2020.

Dr. Ajay Deshmukh was the secretary of International Society of Automation (ISA) Pune section and the Chair of Signal processing Chapter IEEE Bombay section. He is the member of Indian Nuclear Society (INS), National Magnetic Resonance Society of India (NMRS), International Society of Automation (ISA), Instruments Society of India (ISOI), Society for Industrial and Applied Mathematics (SIAM), Biomedical Society of India (BMESI), Society for Cancer Research and Communication (SCRACI), Indian Society for Technical Education (ISTE), and Maratha Chamber of Commerce Industry and Agriculture (MCCIA) Pune, Indian Academy for Industrial and Applicable Mathematics (IAIAM) and The Indian Mathematics Consortium (TIMC).

He has 28 years of experience in academics as the Professor of Instrumentation & Control in Cummins College of Engineering for Women, VIT Pune, and as the Principal of Engineering colleges: Bajaj Institute of Technology Wardha, DACOE Karad, SEC Someshwar, SSASIT Surat, Gujarat, India. Currently he is the independent director of affordable robotics automation ltd (ARAPL) Pune and treasurer of IAIAM Pune.

Currently he is the Director, Centre for Industrial Mathematics, Bhaskaracharya Pratishthana, Pune and Consultant to Philips India Ltd.

www.bprim.org

Over a period of more than two decades Dr. Ajay has offered customized training courses to Multinational industries and Public Sector units on diversified specialized topics. The industry verticals where these courses were offered are Automotive, Automation, Chemicals, Sugar, Petroleum, Petrochemicals, Power Sector, Process and Manufacturing industry and Healthcare industry. These courses were designed based on highly specific requirements of the industry. The objectives were to overcome the industry specific problems providing practical solutions after investigations. Some of these courses were offered through IIT Bombay CEP Cell. Many open courses were also offered to industry participants in order to build the basic knowledge around a specific domain and also to create awareness in those specific topics in Automation, Control, Instrumentation and Measurements, Control of process control equipments, Embedded systems, Industry 4.0, Data analytics, Standards and Practices, Safety in industry and hazards and disaster management. Industries benefited include Honeywell Automation India Ltd Pune, ABB Bangalore, IPCL Nagothane, NPCIL, BORL, EATON, Suzlon Pune, L&T, Forbes Marshall Pune, John Deere Pune.

Dr. Ajay has conducted several training courses for faculty and student development. He also organized national and international conferences, seminars, and presented key notes and invited talks. There are many outreach programs and public lectures to his credit. As a part of research Dr. Ajay has contributed in magnetic resonance imaging, specifically signal and image processing in functional MRI and Cardiac MRI and made several collaborative efforts in this field. He is the author of the book Functional MRI: Novel Transform Methods, Narosa 2008, as a Research monograph dedicated to the society for Cancer research and Communications, Mumbai India. To his credit there is another popular book on Microcontrollers: Theory and Applications, Tata-McGraw Hill, 2005. Recently he has published book chapters in international books namely, "Nuclear Radiation Detectors", in Instrument and Automation Engineer's Handbook, 5 e/d, BÉLA G. LIPTÁK, Editor-in-Chief KRISZTA VENCZEL, Volume Editor, CRC Press, Taylor and Francis Group, PP 1765-1778, 2016 and Raman Analysers", in Instrument and Automation Engineer's Handbook, 5 e/d, BÉLA G. LIPTÁK, Editor-in-Chief KRISZTA VENCZEL, Volume Editor, CRC Press, Taylor and Francis Group, PP 825-848, 2016, "AI in Instrumentation Industry", in a Book with *Bentham Science*, edited by Dr. Terje Kristensen, Bergin University Norway, 2020.

Dr. Ajay Deshmukh was the secretary of International Society of Automation (ISA) Pune section and the Chair of Signal processing Chapter IEEE Bombay section. He is the member of Indian Nuclear Society (INS), National Magnetic Resonance Society of India (NMRS), International Society of Automation (ISA), Instruments Society of India (ISOI), Society for Industrial and Applied Mathematics (SIAM), Biomedical Society of India (BMESI), Society for Cancer Research and Communication (SCRACI), Indian Society for Technical Education (ISTE), and Maratha Chamber of Commerce Industry and Agriculture (MCCIA) Pune, Indian Academy for Industrial and Applicable Mathematics (IAIAM) and The Indian Mathematics Consortium (TIMC).

ONE DAY PROGRAM ON TECHNOLOGY & START-UP

Annexure-A: Program Details

Time	Duration	Topic	Resource Person
10:00 to 10:15	15 Min	Inaugural & Speaker Introduction	Program coordinator
10:15 to 11:15	60 Min	Business Drivers for Technology Changes	Mr. Satish Ranade
11:15 to 12:15	60 Min	Industry 4.0	Dr. Ajay Deshmukh
12:15 to 12:30	15 Min	Tea Break	
12:30 to 13:30	60 Min	Start-up – Concept to commissioning	Mr. Satish Ranade
13:30 to 14:15	45 Min	Lunch	
14:15 to 15:15	60 Min	Research & Development	Dr. Ajay Deshmukh
15:15 to 16:15	60 Min	Improving Student Employability – Student Adoption Model	Mr. Satish Ranade
16:15 to 16:30	15 Min	Tea Break	
16:30 to 17:00	30 Min	Q & A	Mr. Satish Ranade Dr. Ajay Deshmukh
		Summing Up	Program coordinator

- Fees for assessment would be as per 12 National Common Norms 99
- SSC will receive information on assessment date on SDMS Portal before 30 days of finish of training-
- Assessment Fees will be paid by College to SSC 30 days prior to assessment date
- Fees of Rs. 1,200/- per student to be paid by institutes directly to SSC's
- Fees will be paid as per final number of students 30 days before the assessment date
- College to share information on training batches with SSC through AICTE Portal.
- College to transfer the cumulative assessment fee to the SSC 15 days to 30 days before the end of the training for a batch through electronic bank transfer.
- College to update on AICTE Portal with Assessment Fee transferred details, NEFT transaction number and the date of transfer.

12. Result & Certification

- After assessment is completed by assessment agency and shared on SDMS/AICTE Web Portal, SSC to review the assessment completion information for any discrepancy
- SSC will approve the assessment results, if found to be in order on SDMS,
- SSC will finally declare the student pass or fail in the course.
- College will be able to view result on AICTE Portal.
- Result will be declared within 15 days from the assessment.
- SSC will share the Certificates link to the colleges within 15 days of the assessment.
- Certificate to be downloaded by colleges and printed certificates to be shared with students by the college.

Term	Detail
AA	Assessment Agency
AICTE	All India Council for Technical Education
NOS	National Occupational Standard
NSDC	National Skill Development Corporation
NSQF	National Skill Qualification Framework
PMKVY-TI	Pradhan Mantri Kaushal Vikas Yojana by Technical Institutions
QP	Qualification Pack
SDMS	Skill Development Management System
SSC	Sector Skill Council
TC	Training Centre
