REPORT

Industry Institute Interaction cell under Institution's Innovation Council GNIET with consultancy training by Department of Electrical Engineering of Yeshwantrao Chavan college of Engineering, Nagpur organized **Two day Training on "Entrepreneurship and Innovation Startups in Technology (Group Activity)"**.

Entrepreneurship is a major driver of innovation, productivity growth and job creation. Innovative start-ups bring new ideas into the market, in some cases tapping into knowledge generated but not commercialised by existing firms.

The session was inaugurated in the presence of Hon'ble Dr. Hemant Hajare, Principal GNIET, Prof. Rajendra Bhombe, Vice-Principal and HoD Prof. Sadaf Gauhar, President IIC and HOD ASH Department, Prof. Manish Agrawal EE Department, Faculty members and all dear students. The program began with lightening the lamp and worshipping the goddess Saraswati and Lord Gurunanak. The Dignitaries on the dais were welcomed by Prof Sadaf Gauhar with sapling. Dr. Prof. Nivedita S Padole, Prof. Akshay D Kadu successfully delivered the sessions.

Then the floor was handed over to Prof. Manish Aggarwal for vote of thanks. He said that the program would not be successful without the constant guidance of Dr. Hemant Hajare Principal (GNIET Prof. Rajendra Bhombe, Vice- Principal & HoD EE, Prof. Sadaf Gauhar, President IIC & Ho ASH, and we were very thankful to the Hon'ble Sardani Tanpreet Kaur Tuli, Secretary, GNES & Hon'ble Sardar Navneet Singh Tuli Chairman, GNES for their continuous guidance and support.

On behalf of Guru Nanak Institute of Engineering and Technology Prof. Manish Kumar Agarwal work as a coordinator for this programme. Total 102 students participate in this programme.

The main objective is to make students aware and spread awareness of a firm venture startup is to grow the new venture and make it a sustainable, profitable business. Every venture-backed startup needs to have an eye on long-term growth, but the most successful startups have a plan for how they will achieve that growth.

After successful completion of this course students get the knowledge of Entrepreneurship and Innovation Startups in Technology.
