# INDUSTRIAL VISIT

CSE

## Department of Computer Science & Engineering

Date : 20/02/2023

### Report on Industrial Visit to AnkHub Technology Service, Nagpur

The CSE Department of Guru Nanak Institute of Engineering & Technology, has successfully organized Industrial visit at AnkHub Technology Service, Nagpur on 16/02/2023. The visit was organized by Prof. Vijaya Kamble. Overall 44 students actively participated in the visit.

The objective behind the visit was to develop knowledge of students and letting them understand Practical knowledge of technical aspect involved in the field of technology.

The Technical session was conducted by Ankit Kshirsagar who is a skilled and Passionate IT Professional. At Present he is Ethical Hacker, Software Developer with computer IT Network, Development & Security Domain.

The Session was held on Agile Methodology, in that he covered what are different types of culture IT industry following for working, as well as students get a knowledge about Different types of Domains under Development so they can prepare for placements accordingly. Also he covered how hybrid development is going on in industry. They are offering some internship programmes to Students.

Below are the small description about Agile Methodology:

Agile methodology is an approach to project management that emphasizes flexibility, collaboration, and iterative development. It is commonly used in software development, but can also be applied to other types of projects.

The Agile Manifesto, created in 2001, outlines the key values and principles of agile methodology. These include:

- Individuals and interactions over processes and tools
- Working software over comprehensive documentation
- Customer collaboration over contract negotiation

Students had taken good interest and asked various questions related to Agile Methodology and the Engineers at AnkHub praised students for the level of good questions they have asked. Vote of thanks has been given by some students to the allotted staff who guided them.

The visit was successfully conducted with the support of Prof Ankita Shende ,Prof Mayuri Singare ,Prof.Rajendra Bhombe, Vice-Principal, Dr. Hemant Hajare, Principal GNIET , Hon'ble Sardar Navneet Singh Tuli Chairman GNES, Hon'ble Sardarni Tanpreet Kaur Tuli, Secretary, GNES.

# FIELD VISIT

# AKHIL AGRO & IRRIGATION AGENCY BELA

Date: 20-07-2022

To,  
The Principal,  
GNIET, Nagpur

Subject: Certificate of Project Completion.

Dear Sir,

The research project on “Low-cost Agricultural irrigation Automation using IOT” has been successfully delivered by Prof. Shubhangi Ghadinkar, Computer Science & Engineering department, Guru Nanak College of Engineering and Technology in a duration of 6 months (from 20 July 2022 to 20 January 2023) by Ms. Priyanka Manmode.

The research project was financed by Akhil Agro & Irrigation Agency, Bela with the amount of Rs.15000/- (fifteen thousand only).

The project has been successfully delivered with well evaluated report and seamless efforts. This project was a research initiative by Akhil Agro & Irrigation Agency and GNIET, Nagpur.

**Yours Sincerely**

## Industrial Visit Report

The students of V & VII Semester, Electrical Engineering Department, GNIET Nagpur, had visited at Kapilansh dhatoo udyog pvt. Ltd. Kamptee road, Nagpur on dated 15/09/2022. The main objective behind this visit to understand the concept to take a Knowledge of production of kapilansh dhatoo udyog and maintance of electrical equipment. The industry is known For a manufacturing of iron pole, located at kampthee road Nagpur, Maharashtra. The visit is guided by Mr. Iqbal Sheikh, technical director, Kapilansh dhatoo udyog pvt. Ltd. Kamptee road, Nagpur. During the visit he explained the furnace system, Induction sysrtem. Students have also discussed various technical issues of Kapilansh dhatoo udyog like Electric Bill rates & how to reduce a electric bill ,also discuss about the requirments for improvement of power factor. Total 20 Students of V & VII Semester of Electrical Engineering Department, GNIET Nagpur were present. The students take this industrial visit positively for conducting such an activity by Department and also to acquire additional practical knowledge through this visit. Dr. Hemant V. Hajare, Principal GNIET has motivate the department to arrange the industrial visit. Prof. R. M. Bhombe, Vice-Principal & head of Department also support & provide constant assistance to arrange the industrial visit. Headed by Prof Akshay Pilewan, Industrial visit incharge and Prof. Ankita Bhimgade. This visits helps to fill the gap between academics and industries.

Sub: - Information regarding Industrial visit.

Respected Sir,  
On Behalf Of The Electronics And Telecommunication Engineering Department, Industrial visit of 6<sup>th</sup> sem & 4<sup>th</sup> sem ETC/EE students is scheduled at NEERI on Tuesday 11<sup>th</sup> April 2023 at 9.30 a.m. Around 30 students and 4 faculty members are going to visit 'One lab one week' event organized by NEERI.  
Permission for College Bus is taken for visit.  
This is for your kind information .  
Thanking You sir.  
List of faculty members:  
1. Prof Sandip Buradkar  
2. Prof. Soniya Milmile  
3. Prof. Minakshi Dhage  
4. Prof. Harshal Ghatole.

## **OBJECTIVES OF VISIT**

- Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum.
- The objective of an industrial visit is to provide us an insight regarding internal working of companies.
- Student understand that theoretical knowledge is not enough for a successful professional career. With an aim to go beyond academics.
- Industrial visit provides students a practical perspective of the work place. It provided us with an opportunity to learn practically through interaction, working methods and employment practices.
- It gives us an exposure to current work practices as opposed to possibly theoretical knowledge being taught at college.
- Industrial visits provide an excellent opportunity to interact with industries and know more about industrial environment.
- Industrial visits are arranged by colleges for us with an objective of providing us an opportunity to explore different sectors like IT, Manufacturing, services, finance and marketing.
- Industrial visit helps to combine theoretical knowledge with practical knowledge. Industrial realities are opened to the students through industrial visits.
