**REPORT**

This year the Yoga day celebrations were held at Guru Nanak Institute of Engineering & Technology on June 19. The session was held in our college ground. Students from 1 to 4 year took part in the celebration. The inaugural speech was given by the district collector who emphasized the importance of Yoga and physical exercises in daily life.

Technology Nagpur:- 441501

A group of students who were yoga students performed several asanas. They also performed standing and sitting asanas. One could understand by watching their performance that they have been practising yoga for the last few years.

YOGA DAY :21/06/2019

Some of the seniors even did some of the tough asanas. Our yoga teacher showed us some simple and beginner asanas which we did for about 300 minutes. The session was really organised. There were teachers all around us to help us in case we had trouble performing or understanding asanas. All the students participated eagerly.

### YOGA DAY :21/06/2019

Even our principal took active participation in yoga day celebrations. Next, we were given classes of yoga. About its history, a century of origin, how it helped the common people. They even told us that yoga helps increase concentration. Yoga day was celebrated with great enthusiasm.
