Cancer Awareness Seminar
REPORT**

Date: 13/05/2022

Cancer Awareness Seminar organized by NSS cell of GNIET, Nagpur on 13/05/2022 to promote awareness on cancer as a public health issue and to strengthen actions towards improving access to quality care, screening, early detection, treatment and palliative care.

Cancer Awareness Seminar 13/05/2022

This year's theme is "close the care gap" which is about understanding the inequities in cancer care and taking actions to make the necessary progress to address them.

Principal
Guru Nanak Institute of Engineering &
Technology Nagpur- 441501

Dr Kiran Sonekar from STOP cancer mission ,Nagpur was the guest speaker .He explained various causes of cancer and how it can be prevented.He said We are observing World Cancer Day at a time when the world continues to live through the COVID-19 pandemic, where people living with cancer are at risk of getting severe symptoms.

Cancer Awareness Seminar13/05/2022

People living with cancer often develop COVID-19 symptoms more quickly, and they may suffer complications and require admission to an intensive care unit (ICU) if they do not seek immediate medical care.

Unfortunately, the COVID-19 pandemic continues to cause significant cancer care disruptions, impacting patient access and lives. Moving forward, we have the opportunity to put the lessons being learned during this pandemic to good use in order to step up action to address disruptions and inequities in cancer prevention, care and control.

Swachh Bharat Abhiyan
REPORT**

Date: 27/04/2022

Swachh Bharat Abhiyan is one of the most significant and popular missions to have taken place in India. Swachh Bharat Abhiyan translates to Clean India Mission. This drive was formulated to cover all the cities and towns of India to make them clean.

This campaign was administered by the Indian government and was introduced by the Prime Minister, Narendra Modi. It was launched on 2nd October in order to honor Mahatma Gandhi's vision of a Clean India. The cleanliness campaign of Swachh Bharat Abhiyan was run on a national level and encompassed all the towns, rural and urban. It served as a great initiative in making people aware of the importance of cleanliness.

Swachha Bharat Abhiyan 27/04/2022

Objectives of Swachh Bharat Mission : Swachh Bharat Abhiyan set a lot of objectives to achieve so that India could become cleaner and better. In addition, it not only appealed the sweepers and workers but all the citizens of the country. This helped in making the message reach wider. It aims to build sanitary facilities for all households. One of the most common problems in rural areas is that of open defecation. Swachh Bharat Abhiyan aims to eliminate that.

Free Health Check up Camp 27/04/2022

We all were happy to know about so many things which we can learn from doctors. The school was very much thankful to principal GNIET Dr Hemant Hajare and NSS co-ordinator Prof Vijaya Kamble for organizing these type of campaigns for a healthy student count and less absentees. Every school should organize these kind of campaigns to ensure healthy environment in school. The program ended with an overall report by the doctors about the health of students and teachers which said we all were healthy and can improve. I thank all the doctors and nurses for their time and consideration for our school.
