Cancer Awareness Seminar
REPORT**

Date:13/05/2022

Cancer Awareness Seminar organized by NSS cell of GNIET, Nagpur on 13/05/2022 to promote awareness on cancer as a public health issue and to strengthen actions towards improving access to quality care, screening, early detection, treatment and palliative care.

Cancer Awareness Seminar 13/05/2022

This year's theme is "close the care gap" which is about understanding the inequities in cancer care and taking actions to make the necessary progress to address them.

Principal
Guru Nanak Institute of Engineering &
Technology Nagpur- 441501

Dr Kiran Sonekar from STOP cancer mission ,Nagpur was the guest speaker .He explained various causes of cancer and how it can be prevented.He said We are observing World Cancer Day at a time when the world continues to live through the COVID-19 pandemic, where people living with cancer are at risk of getting severe symptoms.

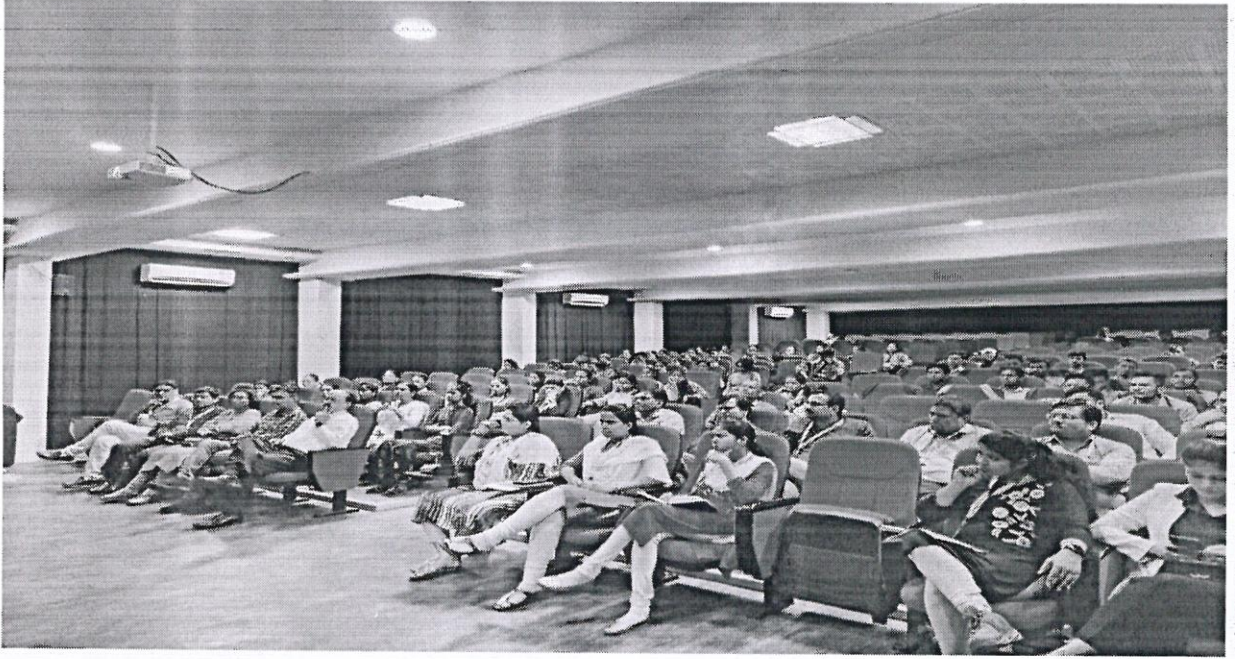

Cancer Awareness Seminar13/05/2022

People living with cancer often develop COVID-19 symptoms more quickly, and they may suffer complications and require admission to an intensive care unit (ICU) if they do not seek immediate medical care.

Unfortunately, the COVID-19 pandemic continues to cause significant cancer care disruptions, impacting patient access and lives. Moving forward, we have the opportunity to put the lessons being learned during this pandemic to good use in order to step up action to address disruptions and inequities in cancer prevention, care and control.

The program was co-ordinated by NSS co-ordinator Prof Vijaya Kamble.All the HOD's and faculties of CSE,EE,MBA,ETC were present on this occasion.

**NATIONAL SERVICE SCHEME
Swachh Bharat Abhiyan
REPORT**

Date:27/04/2022

Swachh Bharat Abhiyan is one of the most significant and popular missions to have taken place in India. Swachh Bharat Abhiyan translates to Clean India Mission. This drive was formulated to cover all the cities and towns of India to make them clean.

This campaign was administered by the Indian government and was introduced by the Prime Minister, Narendra Modi. It was launched on 2nd October in order to honor Mahatma Gandhi's vision of a Clean India. The cleanliness campaign of Swachh Bharat Abhiyan was run on a national level and encompassed all the towns, rural and urban. It served as a great initiative in making people aware of the importance of cleanliness.

Swachha Bharat Abhiyan 27/04/2022

Objectives of Swachh Bharat Mission :Swachh Bharat Abhiyan set a lot of objectives to achieve so that India could become cleaner and better. In addition, it not only appealed the sweepers and workers but all the citizens of the country. This helped in making the message reach wider. It aims to build sanitary facilities for all households. One of the most common problems in rural areas is that of open defecation. Swachh Bharat Abhiyan aims to eliminate that.

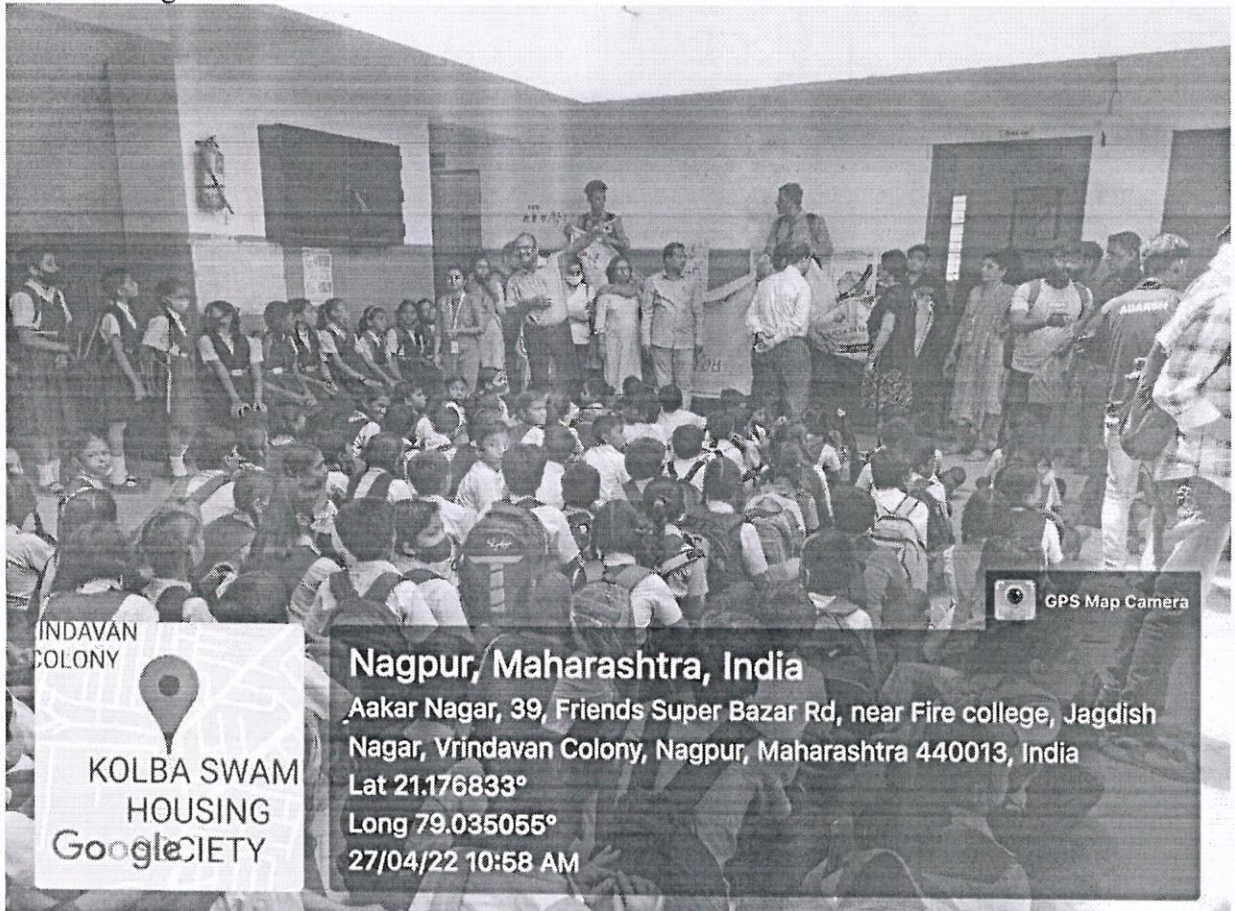

Swachha Bharat Abhiyan 27/04/2022

NSS CELL of GNIET, Nagpur organized Swachha Bharat Abhiyan at Eklavya Marathi Madhyamik School, 32, Manohar Vihar, Saroj Nagar, Hazaripahad, Nagpur on 25 March 2022. The aim was to make the environment and the surrounding environment clean. The event started by welcoming the principal of school. A short speech was delivered by Dr Hemant Hajare, Principal GNIET. Prof Rajendra Bhombe also addressed students and explained the importance of cleanliness. After that NSS students of GNIET and Faculties started cleaning the surrounding places of the school.

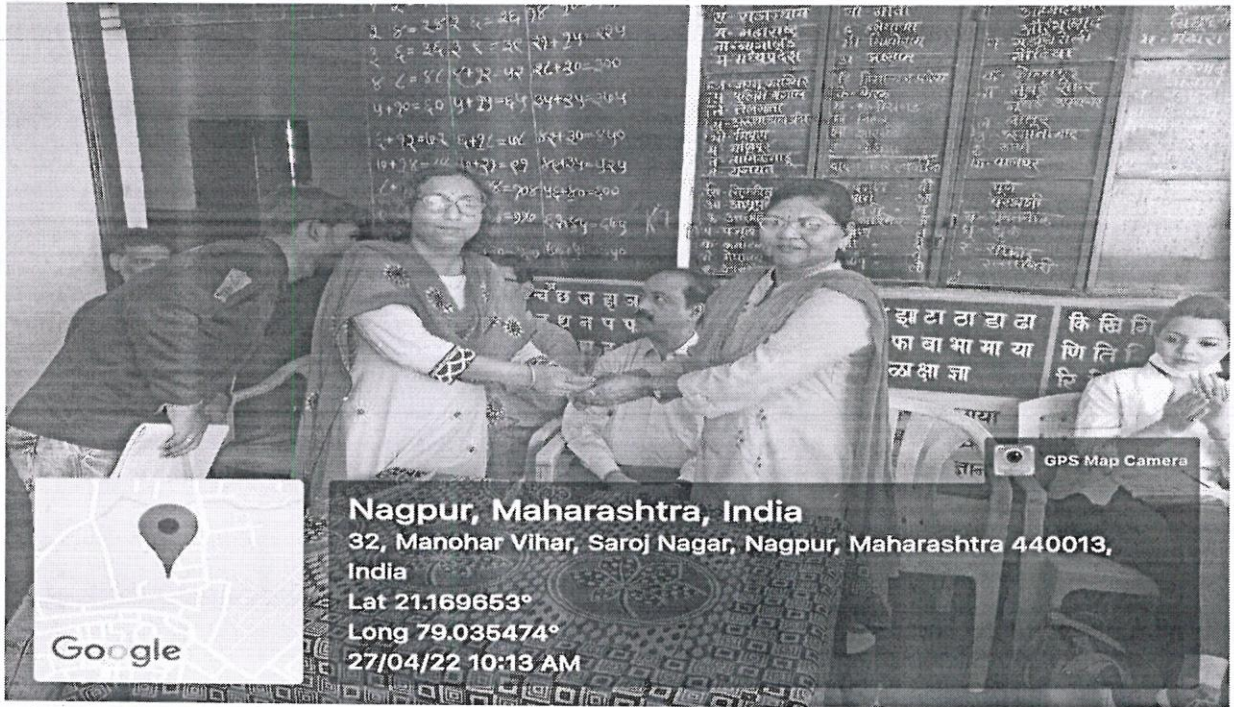

Swachha Bharat Abhiyan 27/04/2022

The students were divided into groups and they were provided with broom and spots in school as to clean the surrounding areas. They also watered the trees and made fencing to protect the trees. There was enthusiasm among the students but also among the faculty who came out in numbers for encouraging the honest and humble efforts of the students. Then event ended with distributing sweets among students.

Swachha Bharat Abhiyan 27/04/2022

The event was co-ordinated by NSS coordinator Prof Vijaya Kamble and NSS faculty Members, HOD's ,EE,MBA,ETC Prof. Diksha Khare,Prof Jhonethan Joseph,Prof Neha Chourasia were present on this occasion.

Free Health Check up Camp 27/04/2022

The program started at 09:00 a.m with the introductory speech given by our respected principal sir Dr Hemant Hajare. and head of the doctor's team which came to school. By 9a.m all students were asked to make a line class wise This is a medical event under the disease prevention & treatment avenue.

Free Health Check up Camp 27/04/2022

Under this camp, we introduced general physicians, dentists, and Blood Testing (CBC), to the school students. There we analyze that keeping your health a first priority is more important for a human being to stay healthy life.

. By 1 pm every student with staff got themselves checked for , blood check, dental check and physician check up report and other health conditions if any.

Free Health Check up Camp 27/04/2022

They all were advised some type of food and exercises by the doctors to maintain a healthy lifestyle. Some were advised to get eyes checked up for spectacles as they think my number has increased. The aim was to keep maximum number of healthy kids and thus we were appreciated by the doctors and principle sir as well.

Free Health Check up Camp 27/04/2022

We all were happy to know about so many things which we can learn from doctors. The school was very much thankful to principal GNIET Dr Hemant Hajare and NSS co-ordinator Prof Vijaya Kamble for organizing these type of campaigns for a healthy student count and less absentees. Every school should organize these kind of campaigns to ensure healthy environment in school. The program ended with an overall report by the doctors about health of students and teachers which said we all were healthy and can improve. I thank all the doctors and nurses for their time and consideration for our school.
