Reimagining Higher Education for Development and Empowerment: Teaching, Research and Innovation August 26-27, 2022

About the Institute:

Shri Ramdeobaba College of Engineering and Management, Nagpur is an autonomous institute permanently affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur established in 1984 by Ramdeobaba Sarwanik Samiti. The institute has been graded A+ during the second cycle of NAAC and is ranked 119 by NIRF in the engineering category. Most of the programmes offered are accredited by NBA. The Institute has adopted a choice-based credit system and incorporated contemporary trends and practices into the curriculum so as to make teaching-learning effective in the competitive era with an emphasis on industry internship. The institution has set up a center of Excellence in different domains in association with industries like Tata Technologies, Nvidia, and Intelisense.

MOUs have been signed with premier institutes for faculty and student exchange programs; research programs; sharing of knowledge on technological changes; and assimilation of innovation and best practices. The institute provides a cross-cultural learning experience to students and provides opportunities for the holistic development of the students through different co-curricular and extracurricular activities.

The institute has a strong alumni base with its chapters in the US, UK, Middle East, and major cities of India. The alumni actively contribute to curriculum design, mentoring students, providing placement opportunities, and other faculty and student endeavors.

About the Workshop:

Higher Education plays a vital role in educating the next generation of leaders, driving the research agenda thereby playing a critical role in shaping the national economy. There is a seamless connection between education, research, and innovation. As the NEP 2020 seeks to transform the entire education space through its directive vision, the higher education institutions need to lead the transformation with new ideas and roadmaps.

The workshop is being organized with a view to providing an opportunity for academicians to understand the changing education landscape, and redefine their roles to ensure academic excellence with research as a key learning and innovation driver. The objective is to facilitate the academicians to take the right direction to reimagine higher education for development and empowerment with wide-ranging talks, interactions, discussions, and group activities as a part of the program.

This workshop will facilitate the educators to know the developments taking place in light of NEP 2020 and this era of uncertainty which require to explore and exploit to enhance their efforts in providing competency based education.

Workshop Contents:

- Multi-discipline choice-based education
- Innovative learning-oriented pedagogy
- Outcome-based education (OBE): its effectiveness
- Capacity building for quality research
- Emergence of a digital society
- Online assessment and accreditation methodology in revised accreditation framework
