## Research & Development Cell

R & D cell is committed to enhance research ability fervor in all the students and faculty members. Research support for the faculty members encourage them to fetch funding from various agencies, to start consultancies in various fields, to apply for patents and copyrights, to organized research oriented seminars, conferences, workshops and STTPs. Student projects that respond positively to the emerging local and global challenges and opportunities relating to need for developing sustainable product/technology are encouraged.

The R & D cell aims at adopting 'students as innovators' approach and has a particular focus on completion of the research cycle for students through supporting research dissemination. This initiative provides the testing ground for student to test their research, develop new technology or design products that would lead to technology or product development, research papers, patents and/or startups that can be taken up by the GNIET help the student become an entrepreneur.

### 1. R&D Policy for faculty members

#### 1.1 Publication in Reputed Journals

Sr. No	Category	Incentives
1	Category A: WoS / SCI / IEEE / Springer / Elsevier / Scopus / Thomson Router and A-Grade UGC Approved Journals	50 % publication Charges (Max Rs. 10000). Applicable only for Specified journals
2	Category B: Any Other peer Reviewed journals. (Not listed in Category: A)	50% Publication Fees (Max Rs 5000)

#### 1.2. Attending conferences / STTPs / Workshop / Seminar by faculty

S.No	Category	Incentives
1	<b>Category A:</b> Event at National Institute such IITs, IIMs, IISc Bangalore, NITs, NIPE & RSPA, NLS etc.	<ul style="list-style-type: none"><li>• 50% Registration fess Maximum up to Rs. 10000/-</li><li>• Duty Leave as per guidelines</li></ul>
