Sub: Letter of Invitation.

Dear Sir,

GNIET, Nagpur established in 2007 by GNES society is one of the top engineering colleges affiliated to RTMNU, Nagpur, approved by All India Council for Technical Education, New Delhi and Director of Technical Education, Maharashtra, accredited by National Assessment and Accreditation Council and certified by ISO.

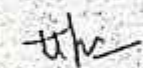

GNIET offers best quality technical education to produce skilled technical manpower meeting international standards and global requirements ensuring optimal utilization of available resources. We are committed to nurture the required expertise under one roof by creating competent and motivated technocrats and managers of tomorrow, who will use their technical knowledge and managerial qualities to confidently and successfully lead the organization.

It's my pleasure to inform you that, Industry Institute Interaction Cell, under Institution's Innovation Council, GNIET is organizing a One day Workshop on "Design Thinking, Critical Thinking & Innovation Design" on 07th Feb 2023, at 11 PM. We are delighted to invite you as a guest.

Topic: Creative Ideas for Digitalizes Innovation
Date: 7th Feb 2023, Tuesday
Time: 11.00 am to 01.00 pm
Venue: Auditorium, T2 building, GNIET

We hope you will accept our request for this invitation and help our students to gather knowledge.

ABOUT GNI

Guru Nanak Institutions (GNI), Nagpur is premier educational group dedicated to provide quality education in the disciplines of Engineering, Management & Hotel Management. The Institutes are approved by All India Council for Technical Education (AICTE), New Delhi and Directorate of Technical Education (DTE) Maharashtra, NAAC Accredited and are affiliated to Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU), Nagpur.

ABOUT GNIET

Guru Nanak Institute of Engineering & Technology is established in the year 2007 by Guru Nanak Educational Society. GNIET is illustrious of well qualified teachers, knowledgeable and expert visiting professors in addition to highly equipped campus, practical training sessions and sensitivity to social discipline and responsibility. GNIET running with UG courses as well as PG Courses.

ABOUT IIC Cell

Industry Institute Interaction Cell (IIC Cell) has been functioning in the College. The function of the Cell is to promote closer interaction between the academic and Industrial fields. Industry Institute Interaction Cell is established to provide closer links with Industries. The purpose of the cell is to find out the gap between need of the industry and end product of the Institute.

ABOUT IIC

- To create a vibrant local innovation ecosystem.
- Start-up supporting mechanism in HEIs.
- Prepare Institute for Aal Ranking of Institutions on Innovation achievements framework.
- Establish Function Ecosystem for Scouting Ideas and

Pre-Incubation of Ideas. Develop better Cognitive Ability for Technology Students.

WORKSHOP OBJECTIVES:

1. To recognize the latest and future issues and challenges in Innovation.
2. To expose the student with state of the art perspectives, ideas, concepts and solutions related to the design and execution of innovation driven projects using design thinking principles.
3. To develop an advance innovation and growth mindset problem identification and reframing.
4. To prepare the mindset and discipline of systemic inspiration driven by an educated curiosity aimed find new sources of ideas, new connections and new models especially outside their regular operating atmosphere.
5. To recognize and specify the best problem to solve and restate the problem as a function of its mutually exclusive and collectively exhaustive different dimensions.
6. To propose a concrete, feasible, viable and relevant innovative project/challenge

SPEAKER:

- Mr. Sanjog Meshram, Founder, Zappkode Solution Pvt. Ltd.
- Mr. Ajay Patwari, Director, Wealth Insight Capital Services Pvt. Ltd.

Session 2022-23 (EVEN Semester)

OBJECTIVES OF THE PROGRAMME: This programme helps the students and faculties also to know the Entrepreneurship important to market economies because they can act as the wheels of the economic growth of the country. By creating new products and services, they stimulate new employment, which ultimately results in the acceleration of economic development. And enlightenment of the ideas of innovation. Small innovation can help to development of the society.

The objectives of programme are:

1. Critical thinking refers to the ability.
2. Innovations and inventions.
3. to evaluate information and
4. to be aware of biases or assumptions, including our own.

PROGRAMME CO-ORDINATOR & ORGANIZING COMMITTEE:

Mr. Manish Agrawal, Head of III cell and Asst. Prof. EE and prof sadaf Gauhar, President II council and HOD ASH Department were appointed as Programme co-ordinator. A Organizing Committee was formed to help him in this work.

Resource Invitee:

Mr. Sanjog Meshram, Founder of Zappkode Solution Nagpur.

Mrs. Rashmi Joshi, Co founder of Zappkode Solution Nagpur.

INAUGURAL FUNCTION:

The Inaugural Function of the lecture was held on 7/02/2023, 11:45AM at T2 Auditorium. In presence of Chief guest Hon'ble Sardarni Tanpreet Kaur Tuli, Mr. Sanjog Meshram, Founder Zappkode Solution Pvt. Ltd & Mrs. Rashmi Joshi, Co-Founder Zappkode Solution Pvt. Ltd Nagpur, Dr. Hemant Hajare Principal GNIET, R. M. Bhombe, Vice Principal and HOD, Electrical Engineering Department and all teaching and non teaching staff of GNIET had present in this programme. Inauguration Function of 1 day workshop was started at 11:45 A. M. at T-2 auditorium with saraswati vandna and lamp lighting.

Programme:

Institution Innovation Council in association with Industry Institute Interaction Cell and Institution's Innovation Council of Guru Nanak Institute of Engineering & Technology, Nagpur organized one day workshop on "Design Thinking, Critical Thinking & Innovation Design" on 7th February 2023.

After Inauguration Dr. Hemant Hajare welcomed the Chief guest Hon'ble Sardarni Tanpreet Kaur Tuli,

GURU NANAK INSTITUTE OF ENGINEERING & TECHNOLOGY

Dahgaon, Kulmeshwar Road, Nagpur 441 501.

Session 2022-23 (EVEN Semester)

Secretary, GNES, motivated the students and boosts them to utilize their full thinking power for developing their skills and projects to gain best outcomes. Mr. Sanjog Meshram, Founder Zappkode Solution Pvt. Ltd & Mrs. Rashmi Joshi, Co-Founder Zappkode Solution Pvt. Ltd was chief guests. Dr. Hemant Hajare, Principal GNIET & Prof. Rajendra Bhombe, Vice-Principal GNIET were the guests of honor. Dr. Hemant Hajare, Principal GNIET welcomed the guests and he informed the importance of this workshop; he took live examples to portray how students can get successful result after taking care about design thinking and critical thinking. Prof. Sadaf Gauhar, President IIC & HoD, ASH brief the participants about the facilitators and workshop objectives, she further established course expectations designed for students and practicalities associated with it by which students can gain command on their engineering skills. Prof. Manish Agrawal, Head IIC, presented a gratitude in the form of vote of thanks to chief guests, guests of honor and to each individual who have worked hard to organize this workshop and to all participants.

First Session was started at 12.15PM-2.15PM by Mr. Sanjog Meshram, Founder Zappkode Solution Pvt. Ltd. on the , he explained to students that innovation with design thinking demands critical thinking because we must understand our assumptions that frame our ideas and shape our design. Let's take this a step further. When we seek to design and deliver innovative solutions, it's not enough to just have new or creative ideas. Design Thinking approaches problems from a human perspective, with the objective of designing innovative and desirable products, services or experiences that reflect all aspects.

Second Session was started at 3.00PM-4.30PM by Mrs. Rashmi Joshi, Co-Founder Zappkode Solution Pvt. Ltd, her discussion topic was "critical thinking". She defined critical thinking as a kind of thinking in which people can question, analyse, interpret, evaluate and make a judgment about what they can read, hear, say, or write. Critical thinking refers to the ability to evaluate information and to be aware of biases or assumptions, including our own.

Students participated interactively in both the sessions and resource persons explained every raised query from the students by giving them real world examples.

Workshop was successfully concluded under the support and guidance of our beloved management Hon'ble Sardarni Tanpreet Kaur Tuli, Secretary , GNES and Hon'ble Sardar Navneet Singh Tuli, Chairman, GNES.

VALEDICTORY FUNCTION:

The Valedictory Function of the workshop was held on 7/02/2022, 4:00 PM onwards.

Prof. Kamakhya Argulewar, EE Department presented vote of thanks. And the program ended with the National Anthem.

PROGRAM OUTCOME:

After completing this Program, students will be able to,

Principal

Guru Nanak Institute of Engineering &
Technology Nagpur- 441501

GURU NANAK INSTITUTE OF ENGINEERING & TECHNOLOGY

Dahegaon, Kalmeshwar Road, Nagpur 441 501.

Session 2022-23 (EVEN Semester)

After completing this Program, students will be able to,

1. Students can evaluate information and to be aware of biases or assumptions, including our own.
2. Students understand the basic need of innovate design.
3. Students can bifurcate the design thinking in this competitive era.
4. Students were able to understand the importance of Critical thinking.

The Institute was approved by All India Council for Technical Education (AICTE), New Delhi and Directorate of Technical Education (DTE) Maharashtra, NAAC Accredited and was affiliated to Pimpri Chinchwad Education Trust (PCET), Nagpur.

ABOUT GNET

Guru Nanak Institute of Engineering & Technology is established in the year 2007 by Guru Nanak Educational Society. GNET is nucleus of well qualified teachers, knowledgeable and expert visiting professors in addition to highly equipped campus, practical training sessions and serenity to social discipline and responsibility. GNET running with UG courses as well as PG Courses.

ABOUT IICs

Industry Institute Interaction Cell (IIC) has been functioning in the College. The function of the Cell is to promote closer interaction between the academic and industrial fields. Industry Institute Interaction Cell is established to provide closer links with industries. The purpose of the cell is to find out the gap between need of the industry and the product of the institute.

ABOUT IIC

- To create vibrant local industrial ecosystem.
- Start-up support mechanism in IICs.
- Prepare Institute for AICTE Ranking of Institutions on Innovation achievements framework.
- Establish Functional Ecosystem for Scouting Ideas and

Pre-Inclusion of local Develop better Cognitive Ability for Technology Student.

WORKSHOP OBJECTIVES:

- To recognize the brain and future issues and challenges in innovation.
- To expose the student with state of the art perspectives, ideas, concepts and solutions related to the design and creation of innovation driven projects using design thinking principles.
- To develop an advanced innovation and growth mindset, problem identification and reframing.
- To prepare the mindset and discipline of systematic innovation driven by an educated curiosity aimed and new sources of ideas, new concepts and new models especially outside their regular operating structures.
- To recognize and specify the best problem to solve and execute the problem as a function of its maturity, exclusive and collectively exhaustive different dimensions.
- To propose a concrete, feasible, viable and relevant innovative project/challenge.

SPEAKER:

- Mr. Sanjay Meshram, Founder, Zappoda Solutions Pvt. Ltd.
- Mr. Ajay Patwardi, Director, Wealth Insights Capital Services Pvt. Ltd.

VENUE:

Sardar Arun Singh Kalia Memorial Auditorium, T-2 Building, GNET, NAGPUR.

REGISTRATIONS:

Registration can be made in advance by sending the registration fee as indicated below along with online single registration form.

REGISTRATION FEE:

Registration fees: INR 200 per head

ONLINE REGISTRATION LINKS:

<https://www.gnet.ac.in/Registration>

IMPORTANT DATES:

Registration starts: 01/02/2023
Last Date of Registration: 15/02/2023

ELIGIBILITY:

Students of B.Tech
(All year branches are eligible to attend)

IMPORTANT NOTE:

- All participants attending should register before the last date of registration.
- Students should reach venue 15 minutes before.

ABOUT THE GNI

Guru Nanak Institutions (GNI), Nagpur is premier educational group dedicated to provide quality education in the disciplines of Engineering, Management & Hotel Management. The Institute are approved by All India Council for Technical Education (AICTE), New Delhi and Directorate of Technical Education (DTE) Maharashtra, NAAC Accredited and are affiliated to Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU), Nagpur.

ABOUT THE GNIET

Guru Nanak Institute of Engineering & Technology is established in the year 2007 by Guru Nanak Educational Society. GNIET is illustrious of well qualified teachers, knowledgeable and expert visiting professors in addition to highly equipped campus, practical training services and sensitivity to social discipline and responsibility. GNIET running with UG courses as well as PG Courses.

ABOUT THE IQAC

Internal Quality Assurance Cell (IQAC) is formed to promote the quality improvement in academic and administrative activities of the Institute for attainment of business vision and mission with consideration of societal needs. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of institutions. The vision of IQAC is to ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

ABOUT THE WORKSHOP

Education is an important pillar of any society, fundamental to achieving full Human potential and developing an equitable and just society for promoting national development higher education plays a vital role in educating the next generation of leaders National Education Policy (NEP) 2020 focuses on key reforms in higher education that prepare the next generation to thrive and complete the new digital age. Accordingly NAAC has decided to incorporate preparedness for NEP 2020 all the

formats of AQAR Guidelines from the Academic Year 2022-2023 as the NEP seeks to transform the entire education space through its directive vision for HEI. The objective is to facilitate the academia to take the right path in framing Institutional strategies well preparedness and the purpose is to provide an understanding of the proposed reforms and ease in creation of a roadmap for effective implementation of National Education Policy 2020.

OBJECTIVES

- To aware faculties of HEI about National education Policy 2020.
- To provide guidance to HEI for implementation of multi disciplinary/interdisciplinary education system.
- To provide awareness about quality enhancement of students through skill development.
- To provide guidance to HEI about making students employable through outcome based education.
- To provide guidance to HEI about understand importance of Indian culture in overall development of student.

SUBTHEME

- Role of NAAC in implementation of NEP 2020.
- Implementation of Multi disciplinary/ interdisciplinary Education in HEI.
- Need of Skill Development in modern education system
- Outcome based Education industrial perspective of NEP 2020.
- Appropriate integration of Indian Knowledge systems in HEI.
- Stress Management

TARGET PARTICIPANTS:

This workshop is designed and intended for faculties in the field of Engineering, Science and Technology.

RESOURCE PERSONS:

Experts from Academia (NIT/Deemed Universities/Autonomous Institutions).

IMPORTANT DATES:

Registration starts on : 03/03/2023
Registration ends on : 07/03/2023

REGISTRATION DETAILS:

Interested participants have to first fill Google registration form and scan copy in pdf format should send to email latest by March 7, 2023. The scanned copy of registration fees payment receipt should be sent to head@gnied.com. Note: seats are limited & the preference will be on a first come first serve basis.

MODE OF PAYMENT:

The participants should pay the registration fees by online transfer only to the following Google Pay / Phone Pay as detailed below.

Registration form Link:

<https://forms.gle/51zq15BaNWq2HVK7>

Registration fees : Rs. 200

Google Pay No : 8087389598

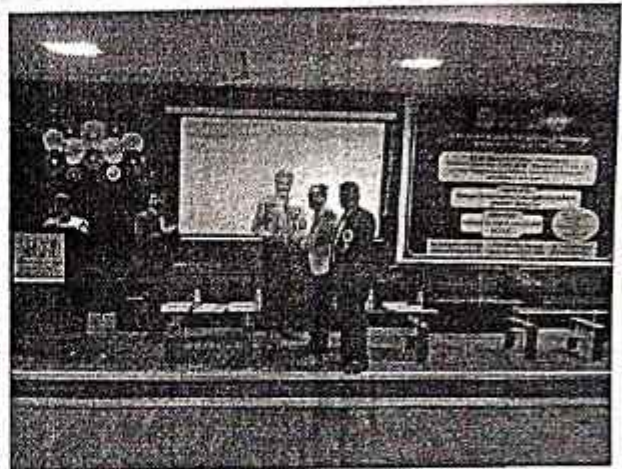

CERTIFICATE DETAILS:

The certificates will be issued to all participants having 80% attendance in all sessions followed by feedback.

Subject: Thanks Letter

Dear Sir,

In behalf of our entire team at GNIET, Nagpur, we would like to express our gratitude to you for the talk on "Entrepreneurship, Innovation and Carrier opportunities". Your talk was not only extremely informative, but also kept everyone entertained in their seats. The size of participation during your talk is testimony to how thrilled everyone was to listen you speak.

We sincerely appreciate you for taking out time from your busy schedule to provide us with such valuable information. The seminar earned a huge positive response. All thank to your support.

We wish you great luck with all your future projects and look forward to meeting you soon.

Warmest regards,

REPORT

One day workshop conducted on 17th October 2022
on "**Entrepreneurship and Innovation as
Career opportunity**"

Speaker: Mr. Rajesh Mishra, Vice President MITCON, Nagpur

ISO 9001:2015 Certified
MITCON™
CONSULTANCY & ENGINEERING

Organized by

Industry Institution Interaction Cell in association
with
Institution Innovation Council

Principal

Guru Nanak Institute of Engineering &
Technology Nagpur- 441501

OBJECTIVES OF THE PROGRAMME: The seminar on Entrepreneurship and Innovation as a career opportunity helped students and the faculty to gain a wider perspective of how entrepreneurship plays an important role in growth of the economy. By creating new products and services it can stimulate new employment, which ultimately results in the acceleration of economic development and enlighten the minds of innovation.

Objectives of the programme:

1. Information about Funding Bank for Entrepreneurs.
2. Awareness of Entrepreneurship.
3. Awareness of Government scheme for Entrepreneurs.
4. Innovations and inventions.
5. Quality Enhancement for Entrepreneurship.

PROGRAMME CO-ORDINATOR & ORGANIZING COMMITTEE:

Mr. Manish Agrawal, Head of III cell and Asst. Prof. EE and Prof. Sadaf Gaur, President IIC and HOD ASH Department were appointed as Programme co-ordinator. An Organizing Committee was formed to help them in making this event successful.

Resource Invitee:

Mr. Rajesh Mishra Vice President MITCON, Nagpur

Programme:-

The seminar was held on 17/10/2022, 2:00 pm at T2 Auditorium. The programme began with Saraswati Vandana and lighting of the lamp. Our Guest speaker Mr Rajesh Mishra, Vice president of MITCON, Nagpur, Principal of GNIET Dr. Hemant V. Hajare, R. M. Bhombe, Vice Principal and HOD, Electrical Engineering Department and all the other teaching and non-teaching faculty of GNIET were presented for the event.

In the beginning of the session Prof. Sandeep Bhongade, Asst Professor ASH, introduced our guest of honour, Mr. Rajesh Mishra, Vice President MITCON, Nagpur and our Principal Dr. Hemant Hajare felicitate the guest with floral bouquet.

Mr. Rajesh Mishra shared an informative and foremost knowledge among Students about entrepreneurship and how an entrepreneur can contribute to the society. He was very keen and proficient in enlightening the students with intriguing examples of entrepreneurs like, Prem Ganesh, Owner of the Dosa Plaza who achieved success with constant hard work and patience. Mr. Sharma shared his experiences and mentioned how an individual with a vision and determination can achieve their goal.

He shared information and links of the scheme by the State & Central government which funds

to the entrepreneur.

It was a very informative and interactive session where students got a wider perspective of how they can execute their creative ideas into an empire of their own.

Prof. Pallavi Barekar, EE Department presented vote of thanks.

On the positive note the programme came to an end by National Anthem sung by everyone presented.

PROGRAMME OUTCOME:

After attending this workshop, students will be able to,

1. Understand need and the scope of Entrepreneurship.
2. Know various scheme for Entrepreneur by State government and Central Government.
3. How to accomplish their goals, which will be by working hard and being focused.
4. Students' got to know about the schemes which will help in funding budding entrepreneurs.
