At Eros Metal Works pvt.ltd.

Principal
Guru Nanak Institute of Engineering &
Technology Nagpur-441501

REPORT

Department of Electrical Engineering organized a one day Industrial visit to At Eros Metal Works pvt.ltd. Industrial Visit to Eros Metal Work pvt.ltd at Nagpur is scheduled on 8th February 2021. **Eros Metal Works (P) Ltd**, a conglomerate unit of “ Eros Group “ leading & reputed well established business Group from Central India. It's an immense pleasure for us to introduce ourselves as an ISO accredited, NSIC Registered “ Light Engineering “ SSI Unit set up under Indian Companies Act with business standing of more than 45 years manufacturing Light Engineering Products viz Hot Dip Galvanised Cable Tray, Storage System, W Metal Beam Crash Barrier, Solar Module Mounting Structure & Sheet Metal & Tubular fabricated structure catering to requirement of Thermal Power Plant and Solar Power Plant Projects, Road Highway Infrastructure Projects EPC' companies, and reputed MNC's across India.

Unit comes under MSME Category registered under MSME Act is a family owned business with professional outlook operates on "Profit Centre" concept.

Mr. S. Manager introduced students about “Eros Metal Works”. He briefly explained the components, architecture, working, benefits and scope of Eros Metal Works automation and mainly focused on following topics from the undergraduate student point of view.

- Need and importance of automation
- Need of Metal knowledge
- Reputed companies working with Eros
- Real time application
- (Distributed Control System)

Advantage of automation

Prof. R.M.Bhombe Assi. Prof. and Prof. Diksha Khare accompanied total 40 students of VI semester for visit on 8th February 2021. Students appreciated the industrial visit and were grateful to the department for organizing such visit which provided exposure to the working environment .

Prof. R.M.Bhombe
