Department of Computer Science and Engineering

Date:- 17-01-2021

NOTICE

All the Students of CSE Department and Teaching Staff of GNIET are hereby informed that the Department of Computer Science and Engineering is Organizing a Webinar On “BE APTIMISTIC” on 28TH January 2021” at 11.30 am on Google Meet.

A link will be shared to all the Staffs and Students of CSE Dept

Prof. Ayaz Khan

Head of CSE

Programme Co-Ordinator

Prof. Sanjeev Shrivastav
Principal, GNIET

Venue: At Google Meet

**A
Webinar
on
BE APTIMISTIC**

In On-line Mode

Date: -28th January 2021

Time: 11:30 AM onwards

--	--	--	--	--	--

OBJECTIVES:

The objectives of the "BE APTIMISTIC" webinar organized by the Department of Computer Science Engineering at GNIET, Nagpur, in collaboration with Expert Edge were as follows:

1.Enhance Aptitude Skills: The primary objective of the webinar was to enhance the aptitude skills of B.E. students. This included improving their problem-solving abilities, logical reasoning, and mathematical skills.

2.Introduce Vedic Mathematics: To introduce students to the principles of Vedic Mathematics and its practical applications in solving mathematical problems efficiently.

3.Provide Mathematical Tricks: To offer students practical tips and tricks for simplifying mathematical calculations, such as finding the square, cube, and square root of numbers.

4.Interactive Learning: Foster an interactive learning environment where students could actively engage with the resource person, Mr. Deepankar Banik, by asking questions, seeking clarifications, and participating in discussions.

5.Practical Knowledge: Enable students to gain practical knowledge that goes beyond theoretical concepts, allowing them to apply mathematical techniques in real-life scenarios.

6.Academic Enrichment: Contribute to the academic enrichment of the students by providing them with valuable insights and skills that can be beneficial in their studies and future careers.

7.Student Engagement: Encourage active participation and engagement among the students to make the learning experience more impactful and enjoyable.

8.Acknowledgment of Organizational Support: Express gratitude and acknowledge the support and guidance provided by the university's leadership, including the Vice-Principal, Principal, Director, and Chairman of GNES.

9.Continuing Educational Initiatives: Set a precedent for organizing similar educational initiatives in the future, building on the success of this webinar to further support student learning and development.

These objectives aimed to ensure that the "Be APTIMISTIC" webinar was not only informative but also a platform for the holistic growth of the students, equipping them with essential skills for their academic and professional journeys.

TARGET AUDIENCE:

All the students from CSE.

PREREQUISITES / PARTICIPANTS ELIGIBILITY CRITERIA IF ANY:

ABOUT THE EVENT

The "Be APTIMISTIC" event was a webinar organized by the Department of Computer Science Engineering at GNIET, Nagpur, in collaboration with Expert Edge. It took place on the 28th of January 2021 from 11:00 AM to 12:30 PM in online mode. The event had the following key details:

Event Title: BE APTIMISTIC

Date: 28th January 2021

Time: 11:00 AM - 12:30 PM

Organizers:

Department of Computer Science Engineering, GNIET, Nagpur

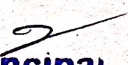

Resource Person: Mr. Deepankar Banik, Expert Edge

Objective:

The primary objective of the event was to enhance the aptitude and mathematical skills of B.E. students. It aimed to introduce students to Vedic Mathematics and provide practical tips and tricks for mathematical calculations, including finding squares, cubes, and square roots.

Event Content:

- The event covered the following topics:
- Introduction to the importance of aptitude in academic and practical life.
- Explanation of the principles and applications of Vedic Mathematics.
- Presentation of various tips and tricks for simplifying mathematical calculations.
- An interactive Q&A session where students had the opportunity to ask questions and seek clarifications on the topic.

Principal
Guru Nanak Institute of Engineering &
Technology Nagpur-441501

Audience:

The target audience for the event was B.E./B.Tech, students from CSE, GNIET and other individuals interested in improving their aptitude and mathematical skills.

Attendance:

More than 100 students attended the webinar, highlighting the significant interest and participation in the event.

Interactive Element:

The event was designed to be interactive, allowing students to actively engage with the resource person, Mr. Deepankar Banik. This interactive approach made the learning experience more engaging and informative.

Acknowledgments:

The event recognized and expressed gratitude for the support and guidance of key university figures, including Prof. Rajendra Bhombe (Vice-Principal), Dr. Hemant Hajare (Principal), and Hon'ble Sardar Navneet Singh Tuli (Chairman of GNES).

Conclusion: The "BE APTIMISTIC" event was deemed successful as it provided valuable insights, knowledge, and practical skills to B.E. students. It contributed to their academic and personal growth and exemplified the university's commitment to offering meaningful educational opportunities. The event also set a precedent for future initiatives aimed at supporting student learning and development.

EVENT OUTCOMES:

The "Be APTIMISTIC" event organized by the Department of Computer Science Engineering at GNIET, Nagpur, in collaboration with Expert Edge, yielded several significant outcomes for the attendees and the educational community. Here are the key event outcomes:

1. **Enhanced Aptitude Skills:** The event successfully fulfilled its primary objective of enhancing the aptitude skills of B.E. students. Participants gained a deeper understanding of problem-solving techniques and logical reasoning.
2. **Enhanced Aptitude Skills:** The event successfully fulfilled its primary objective of enhancing the aptitude skills of B.E. students. Participants gained a deeper understanding of problem-solving techniques and logical reasoning.

3. **Introduction to Vedic Mathematics:** Attendees were introduced to the principles and applications of Vedic Mathematics, which is a system of mathematical techniques that can simplify complex calculations.
4. **Practical Mathematical Skills:** Students acquired practical skills and learned valuable tips and tricks for simplifying mathematical calculations, including finding squares, cubes, and square roots. These skills can be applied in their academic and daily lives.
5. **Interactive Learning:** The event encouraged active participation from the students, fostering an engaging and interactive learning environment. They had the opportunity to ask questions and engage in discussions, which enhanced their comprehension of the subject matter.
6. **Increased Knowledge:** Participants gained knowledge about aptitude, Vedic Mathematics, and practical mathematical concepts that go beyond traditional classroom learning. This knowledge is valuable for their academic and professional growth.
7. **Strong Participation:** With more than 40 students in attendance, the event was well-received and demonstrated a high level of interest in improving aptitude and mathematical skills among the student community.
8. **Acknowledgment of University Leadership:** The event acknowledged and expressed gratitude to the university's leadership, including the Vice-Principal, Principal, Director, and Chairman of GNES, for their support and guidance in making the event a success.
9. **Commitment to Student Development:** The success of the event highlighted the university's commitment to providing meaningful educational opportunities and supporting the holistic development of its students.
10. **Precedent for Future Initiatives:** The event's positive outcomes set a precedent for organizing similar educational initiatives in the future, ensuring that students continue to benefit from practical and interactive learning experiences.

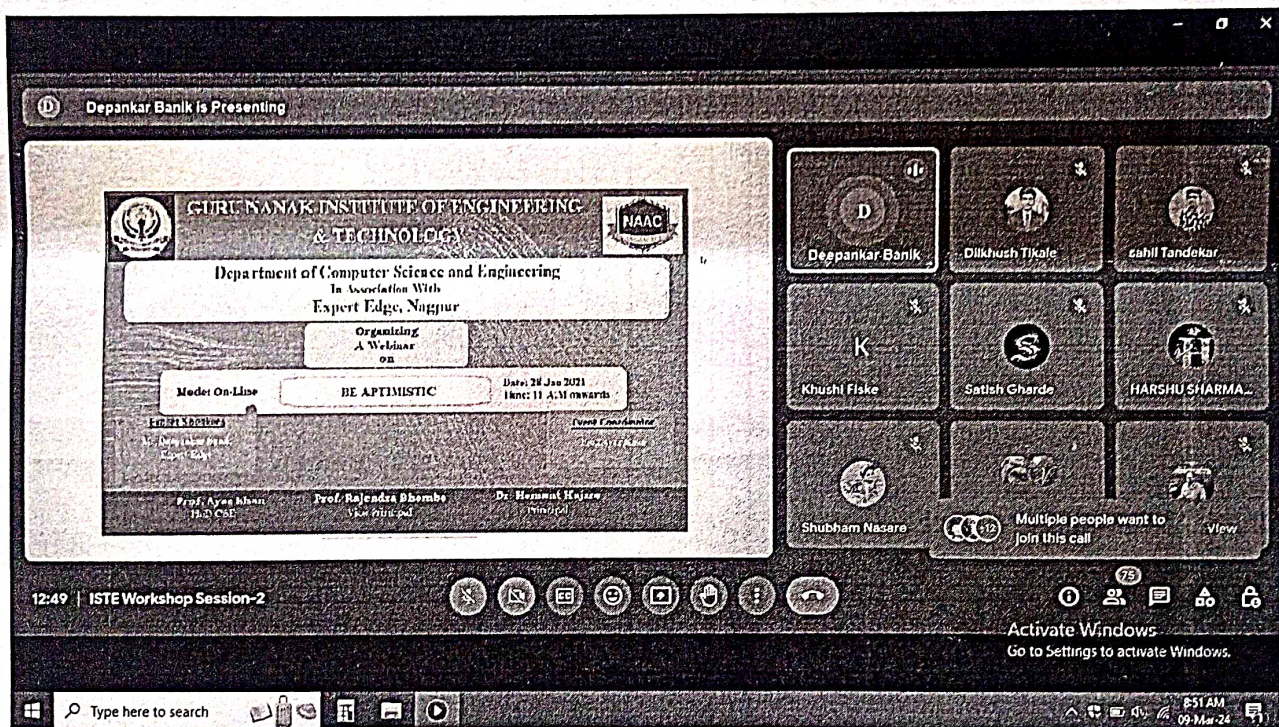

In conclusion, the "BE APTIMISTIC" event achieved its goals of enhancing aptitude and mathematical skills while providing students with practical knowledge and interactive learning opportunities. These outcomes reflect the event's success and the university's dedication to fostering a dynamic and enriching educational environment.

To,
Dr. Manish Chavan
YCCE,,Nagpur

01/01/2021

Dear Madam

GNIET, Nagpur established in 2007 by GNES society is one of the top Engineering Colleges affiliated to RTMNU, Nagpur, approved by All India Council for Technical Education, New Delhi and Director of Technical Education, Maharashtra, accredited by National Assessment and Accreditation Council and certified by ISO.

GNIET offers best quality technical education to produced skilled technical manpower meeting international standards and global requirements ensuring optimal utilization of available resources. We are committed to nurture the required expertise under one roof by creating competent and motivated technocrats and managers of tomorrow, who will use their technical knowledge and managerial qualities to confidently and successfully lead the organization.

It's my pleasure to inform you that,Electronica and Telecommunication Department in collaboration with , Research and Development Cell, GNIET is organizing one Day seminar on "Research Methodology" on 04/01/ 2021 at auditorium hall of GNIET.

We are delighted to invite you to conduct technical session to enlighten our faculty members and students with your valuable suggestions for advancement of Research and Methodology.

We hope you will accept our request for this invitation and help our faculties to gather knowledge.

Following are the details of your schedule.

Topic of Seminar: **Research Methodology**

Date: -04/01/2021

Venue: - T2 Auditorium GNIET

Time: -10.00 am onwards

Thank & Regards,

Prof. Rajendra Bhombe

Report on

Entrepreneurial Strategies for Success

Date:04/01/2021

Objective:

The seminar aimed to equip aspiring entrepreneurs with effective strategies to navigate the challenges and achieve success in their entrepreneurial ventures. Led by Professor Pankaj Pethe from GHRCOE Nagpur, the seminar sought to provide participants with practical insights and actionable techniques to excel in the dynamic world of entrepreneurship.

Outcomes:

Strategic Planning: Professor Pethe emphasized the significance of strategic planning in entrepreneurial endeavors. Participants learned how to formulate comprehensive business plans, set achievable goals, and adapt strategies to changing market conditions.

Innovation and Creativity: The seminar highlighted the importance of innovation and creativity in entrepreneurship. Attendees were encouraged to think outside the box, explore new ideas, and leverage technology to create unique value propositions that differentiate their businesses from competitors.

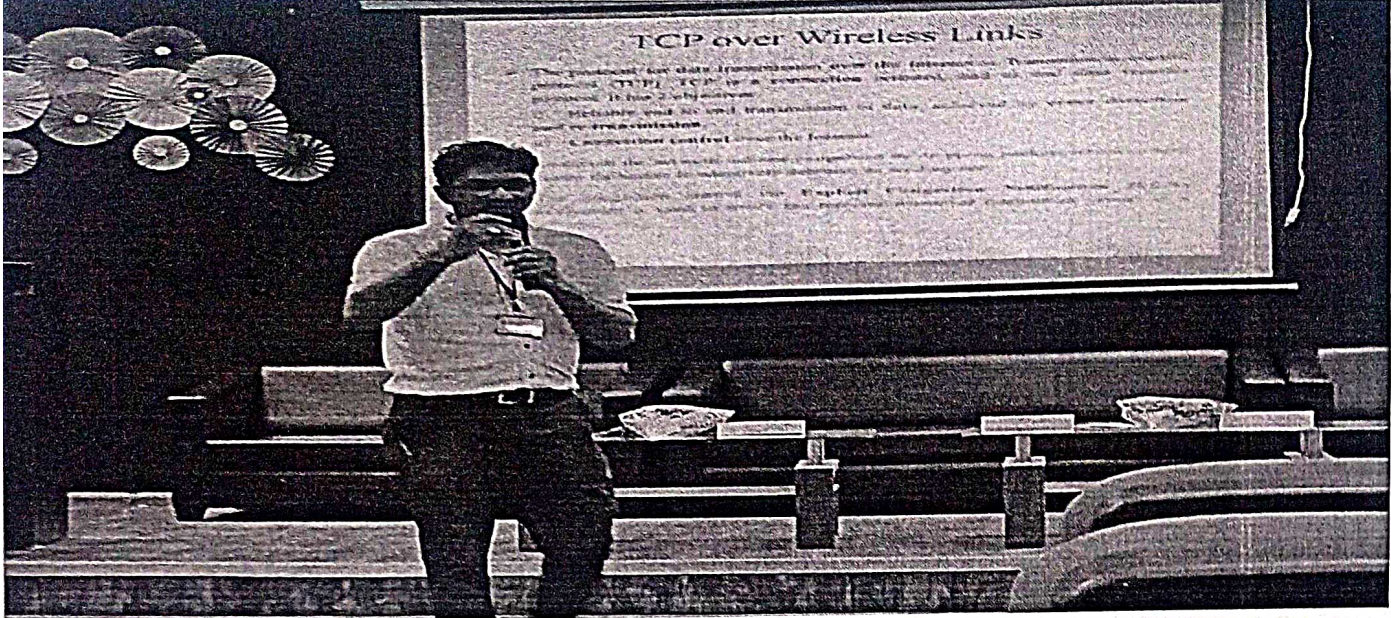

Principal
Guru Nanak Institute of
Engineering & Technology
Nagpur-441501

Market Analysis: Understanding market dynamics is crucial for entrepreneurial success. Dr. Manish Chavan discussed various methods for conducting market research, identifying target demographics, and analyzing competitors. Participants gained insights into consumer behavior and market trends to make informed business decisions.

Risk Management: Entrepreneurship inherently involves risk, but effective risk management strategies can mitigate potential pitfalls. Dr. Chavan shared techniques for assessing and managing risks, including diversification, contingency planning, and prudent financial management.

Networking and Collaboration: Building a strong network is essential for entrepreneurs to access resources, opportunities, and mentorship. The seminar emphasized the value of networking and collaboration in fostering business growth and enhancing market reach. Participants learned how to cultivate meaningful relationships with industry peers, investors, and potential partners.

Resilience and Adaptability: Entrepreneurship is fraught with challenges and setbacks, but resilience is key to overcoming obstacles and achieving long-term success. Dr. Chavan discussed the importance of resilience, perseverance, and adaptability in the face of adversity. Participants gained strategies for staying motivated, maintaining a positive mindset, and learning from failures.

Dr. Chavan delivered his speech on Research Methodology

Conclusion:

The seminar on entrepreneurial strategies provided participants with valuable insights and practical guidance to thrive in the competitive business landscape. Led by Dr. Manish Chavan and attended by esteemed guests like Professor Rajendra Bhombe, the event fostered knowledge sharing, networking, and collaboration among aspiring entrepreneurs. Armed with newfound knowledge and strategies, participants are better equipped to embark on their entrepreneurial journey with confidence and determination.
