REPORT OF WEBINAR

Department of Applied Sciences & Humanities, GNIET, Nagpur, arranged the webinar for their B.E. First Year Students under Online Students Induction Program. Webinar's topic was "Personality Development" which was delivered by resource person Prof. Meher Lalwani, TPO, GNI. The webinar was presented on 18th Jan 2022 at 3.00 pm-4.15 pm. The webinar was organized with intended to enhance the capability of students & give enhanced knowledge about Personality Development. Students' benefited themselves by asking their queries to experts and gaining practical knowledge.

Prof. Sadaf Gauhar, HoD, ASH, GNIET organized this productive webinar under the guidance of Prof. Rajendra Bhombe, Vice-Principal, GNIET, Dr. Hemant Hajare, Principal, GNIET, Prof. Kunal Padole, Director, GNES, Dr. Sudhir N. Shelke, Director GNES, with best regards from Hon'ble Sardar Navneet Singh Tuli, Chairman, GNES.

The following are some basic Qualities of Personality Development discuss in the webinar.

- Know yourself.
- Bring positivity in your outlook.
- Have an opinion.
- Meet new people.
- Read more often and develop new interest.
- Be a good Listener.
- Be courteous.
- Work on your body language.

Report of Workshop on "Leadership Skills and Effectiveness"

A two days workshop has been organised by DMS on "Leadership Skills and Effectiveness" for all Teaching & Non-Teaching Staff & MBA students on 12/04/2022 and 13/04/2022, 2-4 pm at SardarKohli Auditorium, Guru Nanak Institute of Engineering and technology, Nagpur.

The main objectives of this workshop :

1. To enhance the leadership quality
2. To improve managerial skills
3. To improve good communication with team members &
4. To implement effective leadership strategies.

This workshop proved helpful to over 50 staff & students to be productive at the workplace and build strong and positive relationship with their colleagues and team members and to complete team projects smoothly and effectively.

This workshop has been successfully arranged for two days and appreciated by all the students and faculties.

Subject: Permission for 1-Day workshop on 'Antenna Innovations'

Respected sir,

Department of Electronics and Telecommunication Engineering is going to organize 1-day Faculty Development Program on 'Recent trends in Microwave and Antenna Design Technology'. This FDP is beneficial to enhance the research skills and knowledge of the faculty members and students of GNIET. This program aims to empower our faculty with the necessary tools and techniques required for conducting quality teaching in their respective disciplines.

Program Details:

Title: Workshop on 'Antenna Innovations'.

Duration:1 day (Proposed Date-21/07/2021)

Time: 10.00am onwards

Target Participants: Students & Faculty members from various departments of GNIET.

Resource Person:Mr . K. P. Singh, Director, Anant Ultra Lab Pvt. Ltd., Ghaziabad.

Program Highlights:Interactive sessions, presentations, and hands-on workshops conducted by experienced resource persons.

Sharing of best practices and successful research experiences by renowned researchers.

Opportunities for networking and collaboration among participants from different departments.

Sir we kindly request your support and approval for organizing this Faculty Development Program.We are confident that this program will receive a positive response from the faculty members, and we are committed to organizing it efficiently and effectively.

Thanking you

Dear sir

GNIET, Nagpur established in 2007 by GNES society is one of the top Engineering Colleges affiliated to RTMNU, Nagpur, approved by All India Council for Technical Education, New Delhi and Director of Technical Education, Maharashtra, accredited by National Assessment and Accreditation Council and certified by ISO.

GNIET offers best quality technical education to produced skilled technical manpower meeting international standards and global requirements ensuring optimal utilization of available resources. We are committed to nurture the required expertise under one roof by creating competent and motivated technocrats and managers of tomorrow, who will use their technical knowledge and managerial qualities to confidently and successfully lead the organization.

It's my pleasure to inform you that, Research and Development Cell, under Institution's Innovation Council, GNIET is organizing One Day Workshop on 21st July 2021.

We are delighted to invite you to conduct technical session to enlighten our faculty members with your valuable suggestions for advancement of Microwave and Antenna Technology

We hope you will accept our request for this invitation and help our faculties to gather knowledge. Following are the details of your schedule.

Topic of workshop : " Antenna Innovations"

Date: -21st July 2021, Monday

Venue: - T2 Auditorium GNIET

Time: -10.00 am onwards

Thank & Regards,

Prof. Rajendra Bhombe

Report on

Antenna Innovations

Date: 21st July 2021

Venue: Sardar Avtar Singh Kohli Memorial Auditorium, T2 – Building GNIET.

Organized By: Electronics and Telecommunication (ETC) Department, GNIET, Nagpur

A one-day workshop on Antenna Innovations' held on 21st July 2021 provided a platform for students and professionals to delve into the latest advancements in the field of microwave and antenna technology. The event commenced with an introductory speech by Professor Neha Chourasia, HOD, ETC setting the tone for an insightful exploration of microwave antenna developments.

Prof. Rajendra Bhombe, Vice Principal of GNIET, was the Guest of Honor for this event. He graced the occasion, highlighting the importance of such workshops in fostering academic and professional growth.

This event was conducted by Mr. Krishna Pal Singh, Managing Director of Anant Ultra Lab Industries, Ghaziabad. He shared his expertise and insights as the keynote speaker, shedding light on the intricacies of microwave antenna technology and its applications.
