Principal

Guru Nanak Institute of Engineering &  
Technology Nagpur- 441501

Secretary, GNES, motivated the students and boosts them to utilize their full thinking power for developing their skills and projects to gain best outcomes. Mr. Sanjog Meshram, Founder Zappkode Solution Pvt. Ltd was chief guests. Dr. Hemant Hajare, Principal GNIET & Prof. Rajendra Bhombe, Vice-Principal GNIET were the guests of honor. Dr. Hemant Hajare, Principal GNIET welcomed the guests and he informed the importance of this workshop; he took live examples to portray how students can get successful result after taking care about design thinking and critical thinking. Prof. Sadaf Gauhar, President IIC & HoD, ASH brief the participants about the facilitators and workshop objectives, she further established course expectations designed for students and practicalities associated with it by which students can gain command on their engineering skills. Prof. Manish Agrawal, Head IIC, presented a gratitude in the form of vote of thanks to chief guests, guests of honor and to each individual who have worked hard to organize this workshop and to all participants.

First Session was started at 12.15PM-2.15PM by Mr. Sanjog Meshram, Founder Zappkode Solution Pvt. Ltd. on the , he explained to students that innovation with design thinking demands critical thinking because we must understand our assumptions that frame our ideas and shape our design. Let's take this a step further. When we seek to design and deliver innovative solutions, it's not enough to just have new or creative ideas. Design Thinking approaches problems from a human perspective, with the objective of designing innovative and desirable products, services or experiences that reflect all aspects.

Second Session was started at 3.00PM-4.30PM by Mrs. Rashmi Joshi, Co-Founder Zappkode Solution Pvt. Ltd, her discussion topic was "critical thinking". She defined critical thinking as a kind of thinking in which people can question, analyse, interpret, evaluate and make a judgment about what they can read, hear, say, or write. Critical thinking refers to the ability to evaluate information and to be aware of biases or assumptions, including our own.

Students participated interactively in both the sessions and resource persons explained every raised query from the students by giving them real world examples.

Workshop was successfully concluded under the support and guidance of our beloved management Hon'ble Sardarni Tanpreet Kaur Tuli, Secretary , GNES and Hon'ble Sardar Navneet Singh Tuli, Chairman, GNES.
